

2012

Argonne National Laboratory is a U.S. Department of Energy laboratory managed by UChicago Argonne, LLC

Users Meeting

Argonne National Laboratory

May 7-10, 2012

Our User Science Shapes the Future

Highlights

- ▶ Three Cross-facility Thematic Workshops
 - ▶ Operando Characterization of Energy Systems
 - ▶ Probing the Interface between Biological Systems and the Environment
 - ▶ Imaging at All Length and Time Scales
- ▶ Parallel Facility-specific Workshops
- ▶ CNM Short Courses
- ▶ Combined and Parallel Facility Plenary Sessions (APS, CNM, EMC)
- ▶ Poster Session
- ▶ Social Events
- ▶ Large Scientific/Technical Exhibitor Venue
- ▶ Postdoc Luncheon

Awards to be Presented

- ▶ Rosalind Franklin Young Investigator Award
- ▶ Student Poster Session Prizes

Deadlines

- ▶ April 1 Poster Abstracts Due
- ▶ April 1 Registration for Non-U.S. Citizens
- ▶ April 18 Housing Reservations
- ▶ April 18 Early Registration Ends

Organizers

- ▶ Pamela Focia – Advanced Photon Source
- ▶ John Freeland – Center for Nanoscale Materials
- ▶ Gregory Wurtz – Center for Nanoscale Materials
- ▶ Charudatta Phatak – Electron Microscopy Center
